

Diesel Engine Fuel Injector Nozzle

DLLA149S774

This diesel engine fuel injector nozzle is designed for optimal fuel atomization. It is engineered for reliable performance and extended service life in a range of diesel engine applications.

Product Overview

High-Performance Fuel Injection Nozzle

This diesel engine fuel injector nozzle is engineered for precision and reliability in demanding automotive environments. Designed to meet strict international quality standards, it ensures optimal fuel atomization and combustion efficiency. Built from high-grade steel, this component is a robust solution for maintaining engine performance and fuel economy.

Technical Specifications

Body Material	Steel
Weight	0.04 kg
Fuel Type	Diesel
Carburettor Type	Downdraft
Cylinder Configuration	Multi-cylinder
HS Code	84099199

Compliance & Warranty

Certifications	ISO9001, TS16949
Warranty Period	6 Months

Compatibility Reference

Compatible Nozzle References

Item Type	Reference No.	Stumping No.
Injector Nozzle S	0 433 271 376	DLLA149S774
Injector Nozzle S	0 433 271 046	DLLA150S187
Injector Nozzle S	0 433 271 299	DLLA150S616
Injector Nozzle S	0 433 271 829	DLLA150S853
