Overview

Versatile 3-in-1 Cooking Solution

This Digital Air Fryer Oven is a versatile professional kitchen appliance combining the functions of an air fryer, oven, and dehydrator into one compact unit. Utilizing a 360° hot air circulation system, it delivers healthy, crispy results with up to 80% less fat compared to traditional frying methods. Designed for modern convenience, it features a large 11.6L capacity and an intuitive LED touch interface with eight preset programs for consistent cooking results.
