Overview

Natural Comfort & High Precision

This digital body weight scale combines a sustainable nature cork anti-slip surface with a durable 6mm tempered glass platform for a safe and comfortable weighing experience. Designed with high-precision strain gauge sensors, it provides accurate measurements up to 180kg. Its sleek profile and safety-focused features like fillet grinding and a low center of gravity make it an ideal choice for modern health-conscious environments.

Technical Specifications

Product Dimensions

Component	Measurement
Scale Size	300 x 300 x 27 mm
LCD Size	30 x 73 mm

Safety & Design

The scale features a natural cork surface and a clear LCD display for accurate weight and BMI readings.

Safety Features

- Anti-slip nature cork surface for enhanced grip
- Fillet grinding for smooth, rounded edges
- Low center of gravity to prevent rollover
- Safety tempered glass construction

Display & Intelligence

Display & Indicators

- LCD display with LED backlight
- Auto-power-off function to conserve battery
- Overload indication (Err)
- Low battery indication (Lo)
- BMI (Body Mass Index) calculation support

Power Supply

Battery

1 x CR2032 battery (included)
