Product Overview

High-Efficiency Digital Tire Inflator

This compact and reliable digital car tire inflator is engineered for precision and ease of use. Featuring a robust 19mm metal cylinder and a powerful 100W motor, it delivers an air flow of 20LPM to handle inflation tasks quickly. With programmable automatic shut-off and a clear digital gauge, users can achieve exact tire pressures without the risk of over-inflation.

Technical Specifications

Power Performance

12 V

Voltage

100 W

Power

8 A

Rated Current

Inflation Capabilities

150 PSI

Max Pressure

20 LPM

Air Flow

Design & Build

Construction

- 19mm Metal Cylinder
- Digital Gauge Display
- Integrated LED Light (Always On)
- Programmable Automatic Shut-Off

Connectivity & Reach

Component	Length
Power Cord	3m
Air Hose	0.66m

Packaging & Features

Packaging

Color Box Included

Key Features

Automatic Shut-Off, Digital Display, Pressure Unit Change, Cigarette Lighter Plug
