

# Digital Display Bathroom Heater

This bathroom heater is designed for efficient space heating. It features a digital display for easy monitoring and control of temperature settings.

## Overview

### Efficient Bathroom Heating Solution

This modern bathroom heater features advanced PTC heating technology, delivering 2000W of power for rapid and consistent warmth. Designed with safety and convenience in mind, it includes IP21 drip-proof protection, a digital touch interface, and precise temperature control. Its compact, portable design with a soft handle makes it an ideal choice for maintaining comfort in small to medium-sized bathrooms.

## Performance & Technical

### Rated Power

**2000 W**

Power Output

Temperature Range	15°C to 35°C
Heating Technology	PTC Ceramic

## Physical Dimensions

Unit Dimensions	190 x 140 x 340 mm
-----------------	--------------------

## Safety & Compliance

Safety Features	Double Over-heating Protection, Tip-over Switch, IP21 Drip-proof Protection
-----------------	---

## Features & Control

### Additional Features

- Swing Function
- Timer
- LED Display
- Dust-proof Filter
- Soft Handle
