

Digital Personal Weight Scale

This digital scale features a circular glass platform for personal weight measurement. It provides a clear digital display and stable support with its four circular black pads.

Overview

Precision Personal Weighing Solution

The SC-805 electronic scale is designed for reliable and accurate personal health monitoring. Featuring a durable glass platform and four high-precision sensors, it ensures consistent measurements for users. With convenient features like automatic zeroing, auto-off functionality, and clear LCD readouts, this scale offers a seamless user experience for home or clinical settings.

Technical Specifications

Maximum Capacity

180 kg

Max Capacity

396 LB

Max Capacity

Measurement Division

100 g

Sensor Technology

4 high-precision sensors

Display & Interface

Display

4-digit LCD (30mm)

Activation

Foot tap switch

Power & Efficiency

Power Source

1x CR2032 Battery

Smart Features

Auto Zero, Auto Off (8s), Low Battery Indicator, Overload Indicator
