Overview

Durable Fiberglass Replacement Handle

This replacement axe handle is engineered for long-lasting performance and reliability in demanding environments. Featuring a high-visibility yellow fiberglass construction, it provides exceptional durability compared to traditional wooden handles. The integrated textured black overmold grip ensures maximum comfort and control during extended use, while the protective safety collar adds stability and prevents damage near the axe head.

Design & Construction

Grip Type

Textured Overmold • Ergonomic Control • Enhanced Comfort

Material

Durable fiberglass with textured black overmold

Safety & Performance

Safety Features
