Overview

Intelligent Air Quality Management

The HCX-H366T is a sophisticated tabletop ultrasonic humidifier designed to create a healthy and comfortable environment in homes and offices. Featuring a large 5L capacity and a convenient top-filling design, it provides consistent moisture output to cover areas up to 30 square meters. With its integrated digital display and smart functions like a timer and humidity control, it offers precise management of indoor air quality.

Performance

Performance Highlights

5 L

Water Capacity

280 ml/h

Mist Output

30 m²

Max Coverage

Technical Specifications

Voltage Compatibility	110V / 240V (50~60Hz)
Power Consumption	25 W
Housing Material	ABS Plastic

Features

Optional Features

LED Degerming • WIFI Connectivity

Standard Functions

Humidity Control, Fogmeter, Timer, Anion Generator, Top Water Filler

Design & Dimensions

Unit Dimensions	260 x 165 x 320mm
Color	White shell with black accessories

Logistics

Standard Packaging

- Carton Size: 57 x 64 x 73.5cm
- Quantity: 12 pcs per carton
- 40HQ Loading: Approx. 2868 pcs (239 ctns)

Control Interface

User Controls

- Digital LED Display
- Remote Control included
- Touch-sensitive top panel
- Water level side indicator
