

Dimmable A60 LED Light Bulb, 10W

This dimmable A60 LED bulb provides energy-efficient lighting with adjustable brightness. Consuming only 10W, it provides a warm, inviting glow suitable for various applications.

Product Overview

Professional A60 Dimmable LED Solution

This A60 LED bulb offers a high-quality lighting solution featuring Samsung LED technology for superior performance and energy efficiency. Designed for versatility, it supports a wide dimming range from 15% to 100%, allowing for precise control over ambiance in environments ranging from residential spaces to hospitality venues. With a classic A60 shape and standard base compatibility, it serves as an ideal, long-lasting replacement for traditional lighting.

Technical Specifications

Detailed Specifications

Item No.	Watts	Luminous Flux	Dimension
L-BL-0747-7W	7W	630lm	!60*108mm
L-BL-0747-9W	9W	810lm	!37*108mm

Input Voltage	220-240V
Beam Angle	200 °
Power Factor	>0.7
Color Rendering Index (CRI)	e80
Rated Lifetime	25000 hrs

Features

Color Temperature Options

3000K • 4000K • 6500K

Dimmable	Yes
Base Options	E27, B22

Compliance & Applications

Suitable Applications

- Home
- Exhibition Hall
- Restaurant
- Hotel

Certifications	CE
