

Disposable Lighters

These disposable lighters come in various colors, including green, red, blue, orange, and purple. They feature a rectangular body with a black top and are suitable for general purpose use.

Product Overview

Standard Disposable Lighters

These disposable lighters offer a reliable and convenient solution for general-purpose ignition needs. Featuring a distinct rectangular body design and a consistent black top, they provide a comfortable grip and straightforward operation. Available in a vibrant range of colors, these units are ideal for high-turnover retail environments and professional utility applications.
