

# Double Door Refrigerator with Adjustable Shelves

This double door refrigerator features a spacious interior and adjustable shelves. It is designed for efficient cooling and storage.

## ADDITIONAL IMAGES

## Overview

### Efficient Cooling Solution

This double door refrigerator is designed to maximize storage efficiency through concentrated foaming techniques, offering a generous 138L total capacity. Engineered for both performance and sustainability, it features low-noise operation, energy-efficient cooling systems, and anti-bacterial nanotechnology to keep food fresher for longer. With customizable color options and an easy-clean coating, it provides a versatile and stylish solution for professional food storage needs.

## Technical Specifications

Model Number	BCD-165W
Refrigerator Capacity	90 L
Freezer Capacity	48 L
Voltage/Frequency	220V/50Hz, 110V/60Hz
Refrigerant Gas	R600a, R134a

## Logistics

Packing Dimensions	500 x 500 x 1250 mm
Loading Capacity (40HQ)	192 PCS
Minimum Order Quantity	1*40HQ

## Key Features

### Performance Highlights

**138 L**
