

Double Edge Safety Razor with Chrome Finish

This is a classic double-edge safety razor, designed for use with standard double-edge razor blades. It features a textured handle for enhanced grip and a traditional head design for a close and comfortable shave.

Product Overview

Premium Chrome Safety Razor

This classic double-edge safety razor features a durable chrome-plated finish designed for both longevity and style. It includes a specialized textured handle to ensure a secure, slip-resistant grip during use. Engineered for precision, the traditional head design utilizes a safety bar and guided grooves to provide a consistently close and comfortable shaving experience.
