

Double Wall Electric Kettle

This double wall electric kettle has a stainless steel interior and a cool-touch exterior for enhanced safety. It features rapid boiling with automatic shut-off and boil-dry protection.

Overview

Ergonomic design with cool-touch handle, 360-degree base, and convenient controls for safe operation.

Premium Double-Wall Electric Kettle

This 1.8L double-wall electric kettle is designed to combine safety, efficiency, and convenience. Featuring advanced thermal insulation, the exterior remains cool to the touch while the stainless steel interior preserves water purity. It is an ideal solution for preparing tea, coffee, and other hot beverages in a busy kitchen or office environment.
