

Down Insulated Puffer Jacket with Detachable Hood

This puffer jacket is insulated with down filling for warmth. It features a detachable fur-trimmed hood and a water-resistant outer shell.

Product Overview

Premium Down Insulated Puffer Jacket

This stylish and functional puffer jacket is engineered for cold weather performance. Featuring premium down insulation, it provides exceptional warmth without unnecessary bulk, ensuring comfort for both everyday wear and outdoor activities. The design includes a water-resistant outer shell and a detachable fur-trimmed hood to offer versatile protection against light rain, snow, and wind.
