

# Dual Voltage Compact Travel Iron

This compact travel iron supports both 110-127V and 220-240V power standards. It features adjustable temperature control, overheat protection, and a steam function.

## Product Overview

### Compact Dual Voltage Travel Solution

This portable travel iron is engineered for global versatility, featuring dual voltage support for seamless operation between 110-127V and 220-240V regions. The lightweight, compact design ensures it fits easily into luggage without compromising on performance. It offers adjustable thermostat control and steam capabilities to keep your garments wrinkle-free wherever you go.

## Technical Specifications

### Power Consumption

**1150 W**

Max Power (127V)

**1150 W**

Max Power (240V)

Voltage Compatibility	110-127V, 220-240V
Operating Frequency	50/60 Hz

## Physical Dimensions

Overall Dimensions	19.6 x 9.3 x 9.0 cm
Soleplate Area	17.8 x 9.35 cm
Water Tank Capacity	30 ml

## Features

### Key Functionality

- Adjustable thermostat control
- Steam function
- Burst steam capability
- Overheat protection
- Indicator light
