

Duplex Receptacle with USB Charging Ports and Wall Plate

This duplex receptacle provides standard AC power outlets along with USB charging capabilities. It is ideal for residential and commercial applications requiring both AC power and USB charging.

Product Overview

Integrated Power Solution

This duplex receptacle provides a convenient all-in-one power solution, combining standard AC power outlets with high-speed USB charging ports. Designed for safety and versatility, the unit includes built-in tamper-resistant outlets to ensure protection in residential and commercial settings. The inclusion of a matching decorative wall plate provides a clean, professional aesthetic while streamlining installation.
