

Dutch-Style Step-Through City Bicycle

This Dutch-style bicycle features a step-through frame, mudguards, and a rear rack. It is designed for urban commuting and leisurely rides, combining comfort and practicality with its upright riding position and durable construction.

Overview

Classic Dutch-Style City Commuter

This classic Dutch-style bicycle features an accessible step-through frame designed for comfortable urban commuting and leisurely rides. The geometry promotes an upright riding position, ensuring rider comfort while navigating city streets. Built for durability and practicality, it comes fully equipped with essential safety and convenience features including mudguards, a rear rack, a front light, and a protective chain guard.
