

DVD and Set-Top Box Wall Mount

This wall mount is made from high gauge cold rolled steel. It is designed for mounting DVD players and set-top boxes.

Overview

Versatile Media Device Mounting

This wall mount is a professional-grade solution designed specifically for DVD players and set-top boxes. Constructed from high-gauge cold-rolled steel, it offers a robust 10 kg load capacity to securely support your media equipment. The design features an angle-free tilt mechanism and a hidden instrument aesthetic, ensuring your home theater setup remains clean, organized, and space-efficient.
