

E26/E27 LED Filament Bulb

This vintage-style LED filament bulb combines the aesthetic appeal of traditional incandescent bulbs with the energy efficiency of LED technology. Designed with a standard E26/E27 Edison screw base, it is ideal for decorative lighting in homes, restaurants, and retail spaces.

Product Overview

Vintage Aesthetic Meets Modern Efficiency

This vintage-style LED filament bulb combines the classic aesthetic appeal of traditional incandescent bulbs with the energy efficiency of modern LED technology. Featuring a clear amber-tinted glass enclosure and a decorative cage filament design, it provides a warm, inviting 360-degree light distribution. It is an ideal choice for decorative lighting applications in homes, restaurants, and retail spaces, offering both style and performance.
