

E26/E27 LED Light Bulb with Diffuser

This LED light bulb has a standard E26/E27 Edison screw base. The bulb is designed for general illumination in homes or businesses, offering energy efficiency and long-lasting performance.

Product Overview

Energy-Efficient Illumination

This LED light bulb features a standard E26/E27 Edison screw base, making it compatible with a wide range of residential and commercial fixtures. Designed with a spherical shape and an integrated white diffuser, it provides soft, even light distribution for general illumination. Its energy-efficient design ensures long-lasting performance, reducing the need for frequent replacements.

Technical Specifications

Base Type	E26/E27 Edison Screw
Shape	Spherical
Key Features	Energy Efficient, Long Lasting, Diffused Light

Application

Suitable Environments

- Residential settings
- Commercial settings
- General illumination
