Product Overview

ABSOLUTELY OUTSTANDING!

Neo lock with excellent anti-theft performance.

The system combines a professional look with outstanding electromagnetic detection performance.

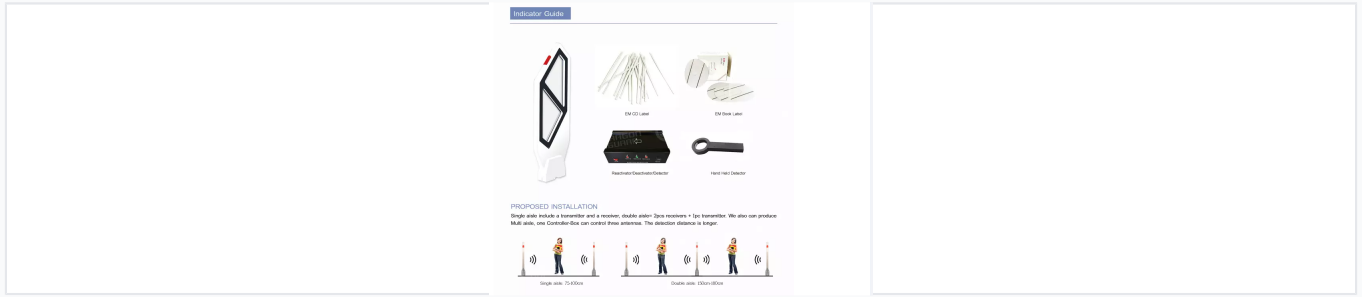

Advanced EM Anti-Theft Protection

This high-quality Electronic Article Surveillance (EM) system is specifically designed for the rigorous security needs of libraries and bookstores. Constructed with a blend of advanced resin glass and MDF, it offers a sleek, modern aesthetic that integrates seamlessly into professional environments while providing a robust physical deterrent. The system features advanced signal processing to ensure high detection accuracy with minimal false alarms, protecting your inventory effectively.

Technical Specifications

Model Number	ES001 EM system
Unit Dimensions	148 x 54 x 4 cm
Working Voltage	110V-240V
Detection Height	170 cm
Working Environment	-20°C to 60°C

Detection Performance

Flexible installation options for single, double, or multi-aisle configurations to suit different entrance widths.

Detection Range Performance

80 cm

Standard Width

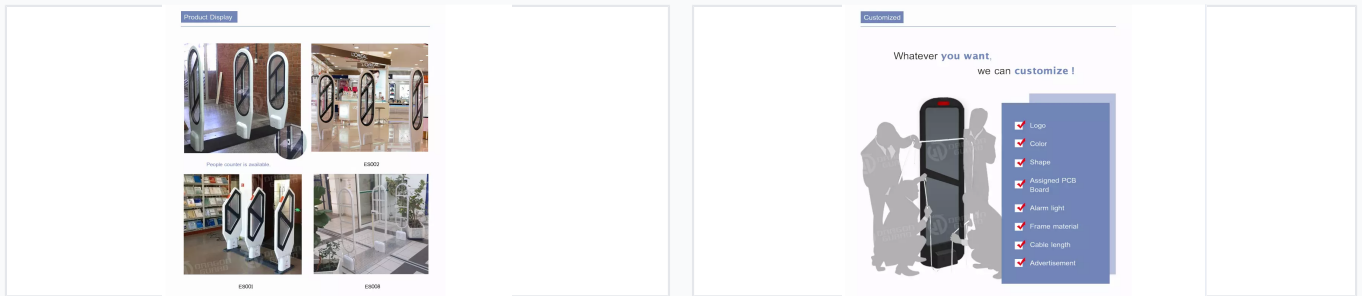

100 cm

Max Single Aisle

180 cm

Max Double Aisle

Customization & Features

Multiple design aesthetics available, including transparent resin glass models with optional integrated people counters.

We offer extensive customization from frame materials and colors to specific PCB boards and branding.

Available Add-ons

- Integrated People Counter
- Transparent or Opaque panel designs
- Multi-aisle controller (up to 3 antennas)

Customizable Features

Logo, Color, Shape, PCB Board, Alarm Light, Frame Material, Cable Length, Advertisement Panels

Compliance & Quality

Certifications

CE • ISO • ROHS • SGS • MSDS

Logistics & Installation

Shipping & Lead Time

Quantity (Sets)	Est. Lead Time	Weight/Carton
1 - 50	10 Days	34 kg
> 50	Negotiable	34 kg

Application Areas

Application

Effective anti-theft protection for libraries, bookstores, and general retail environments.

Recommended Use Cases

- Public and University Libraries
- Retail Bookstores
- Pharmacies
- High-end Retail Outlets
