

# EAS Cosmetic Display Security Box

This EAS cosmetic display security box protects valuable cosmetic products from theft. Its transparent design allows customers to view the product while preventing unauthorized access with its integrated alarm system.

## ADDITIONAL IMAGES

## Overview

### High-Security Retail Display Solution

This EAS cosmetic display security box is designed to protect high-value merchandise from theft while maintaining full product visibility. Constructed from durable, transparent materials, it allows customers to view branding and product information clearly while providing a strong visual deterrent. The tamper-resistant design features an integrated alarm system compatible with standard retail security antennas, ensuring items remain secure until authorized removal.
