

# Elastic Painted ABS Case Measuring Tape

This measuring tape features an elastic painted ABS case for comfortable handling. The blade is 0.14mm thick before painting.

## ADDITIONAL IMAGES

## Overview

### Professional Elastic Painted Measuring Tape

This 2020 design features a high-quality elastic painted ABS case that combines a modern aesthetic with a comfortable, ergonomic grip. The innovative compact housing allows a 5m tape to fit within the dimensions of a standard 3m case, making it exceptionally portable for professional use. Built with a 0.14mm thick carbon steel blade before painting, it ensures both durability and precision for demanding measurement tasks.
