

Electric Chainsaw for Wood Cutting

This electric chainsaw is a powerful tool for cutting wood. It features a durable chain and ergonomic design suitable for pruning and limbing.

Overview

High-Performance Electric Cutting

This electric chainsaw is engineered for efficient wood cutting, making it an ideal choice for pruning, limbing, and light to medium-duty tasks. It features a robust motor and a durable chain, ensuring consistent performance without the hassle of fuel or oil mixing. Designed with user safety in mind, the unit includes a safety lock and a chain brake system, combined with an ergonomic handle for comfortable operation.

Technical Specifications

Model Number	M1L-KW06-405[D]
