

Electric Clothes Iron with Steam Function

This electric iron is designed for smoothing fabrics using heat. It features a non-stick soleplate, adjustable temperature settings, a steam function, and a swivel cord.

Product Overview

Professional Fabric Care

This electric steam iron is designed for efficient fabric smoothing and garment care. Featuring a durable non-stick or stainless steel soleplate, it ensures effortless gliding across various fabric types. The unit includes versatile steam, spray, and burst functions to tackle stubborn wrinkles effectively, making it a reliable tool for professional laundry environments.
