

Electric Commuter Bicycle

This electric bicycle is designed for urban commuting and leisure riding. It features a retro design with a rounded headlight, step-through frame, and a two-tone color scheme.

Overview

Urban Commuter Electric Bicycle

This electric commuter bicycle combines retro-inspired aesthetics with modern assisted propulsion technology. Designed specifically for urban environments, it features a convenient step-through frame for easy mounting and dismounting. With integrated safety features like a rounded headlight and rearview mirrors, this bike is an ideal solution for daily commuting and leisure riding.
