

Electric Commuter Bicycle with Step-Through Frame

This electric bicycle is designed for urban commuting and leisure rides. It features a step-through frame, comfortable seat, rear storage, electric motor, battery, and front/rear lights.

Overview

Urban Commuter Electric Bicycle

This electric commuter bicycle is engineered for efficient urban travel and leisure riding. Featuring a user-friendly step-through frame, it ensures easy mounting and dismounting for riders of all types. The integrated electric motor and battery system provide reliable pedal assistance, while the inclusion of front and rear lighting enhances visibility and safety during daily commutes.
