

Electric Commuter Bicycle with Step-Through Frame

This electric bicycle is designed for urban commuting. It features a step-through frame, headlight, rearview mirrors, and a rear storage compartment.

Product Overview

Urban Commuter Electric Bicycle

Designed for efficient and stylish urban mobility, this electric commuter bicycle features a comfortable step-through frame that ensures easy mounting and dismounting for riders of all abilities. The retro-inspired aesthetic is paired with modern electric assistance, helping riders tackle longer distances and inclines with minimal effort. Equipped with essential safety and utility features like integrated lighting, rearview mirrors, and rear storage, it offers a practical, eco-friendly solution for daily transportation needs.
