

Electric Commuter Bicycle with Step-Through Frame

This electric bicycle is designed for urban commuting and leisure riding. It features a step-through frame for easy mounting and dismounting, and it's equipped with a front basket for carrying groceries or personal items.

Overview

Urban Commuting Redefined

This electric commuter bicycle is engineered for effortless urban travel and comfortable leisure riding. Featuring a convenient step-through frame design, it ensures easy mounting and dismounting for riders of all abilities. The integrated electric motor and centrally mounted battery provide a balanced, smooth riding experience, while practical additions like a front basket and rear rack with a backrest enhance daily utility.
