Overview

Urban Commuting Solution

This electric commuting bicycle is engineered for efficient and comfortable city travel. Featuring a durable high-carbon steel frame and a reliable 250W brushless motor, it provides smooth pedal assistance for daily commutes and urban errands. Equipped with a front basket and rear rack, it offers practical storage solutions, while the 6-speed Shimano drivetrain ensures versatility across varied city terrain.

Electric System

Motor Power

250 W

Motor Output

36 V

System Voltage

Key Electric Components

- 36V Lithium battery
- Rear hub brushless motor
- 5-point magnetism sensor
- LED display
- EU standard charger

Battery Capacity

10 Ah

Drivetrain & Performance

Drivetrain

6-Speed Shimano

Shifter Type

Thumb shifter

Braking System

Front V-Brake, Rear Band Brake with Lock, Power Cut-off Levers
