

Electric Corded Grass Trimmer - 1000W

This electric grass trimmer is designed for efficient and precise lawn maintenance. It features a robust motor for powerful cutting performance, along with a lightweight and ergonomic design for comfortable handling.

Overview

High-Efficiency Electric Trimmer

Designed for efficient and precise lawn maintenance, this 1000W electric corded grass trimmer delivers consistent, powerful performance without the need for batteries or gasoline. Featuring a robust motor and a durable cutting system, it is ideal for trimming grass along edges, fences, and other hard-to-reach areas. The lightweight, ergonomic design includes an adjustable handle and shoulder strap to enhance maneuverability and minimize user fatigue during extended operation.
