

Electric Fabric Shaver for Lint Removal

This handheld electric appliance removes lint, fuzz, and pills from fabric surfaces. It uses a rotating blade system covered by a mesh screen to safely trim unwanted material.

Product Overview

Efficient Fabric Care

This handheld electric fabric shaver is designed to effectively remove lint, fuzz, and pills from a variety of surfaces. Featuring a precision rotating blade system protected by a mesh screen, it safely trims unwanted fibers without damaging delicate fabrics. The ergonomic design ensures comfort during use, making it an essential tool for maintaining clothing, upholstery, and blankets.
