

Electric Fireplace with Mantel

This electric fireplace features a dark wood finish mantel. The fireplace provides supplemental heating and a realistic flame effect.

Overview

Elegant Electric Fireplace Solution

This electric fireplace with a mantel provides a sophisticated heating and aesthetic solution for indoor spaces. Designed with a classic aesthetic, the mantel serves as both a functional fireplace surround and a decorative shelf for displaying home accents. It is compatible with the FEJ2011-05 furnace core, ensuring a seamless integration for your heating needs.
