

Electric Folding Bicycle with Step-Through Frame

This electric folding bicycle features a convenient step-through frame. It is equipped with an integrated battery pack, fenders, rear cargo rack, and front headlight for practical urban transportation.

Product Overview

Compact Urban Mobility Solution

This electric folding bicycle features a convenient step-through frame design, making it an ideal choice for urban commuters and those seeking easy mounting and dismounting. Equipped with an integrated battery pack and a compact electric motor, it provides efficient assisted propulsion for daily travel. Its folding mechanism ensures seamless storage and transportation, while practical additions like front and rear fenders, a rear cargo rack, and a front headlight enhance utility and safety.
