

Electric Folding Commuter Bicycle

This electric bicycle is designed for urban commuting and folds for easy storage. It features a front basket, comfortable seat with a backrest, and a step-through frame.

Overview

Urban Commuting Solution

This electric folding commuter bicycle is designed for stylish and efficient urban travel. Featuring a convenient step-through frame, it ensures easy mounting and dismounting for riders of all levels. The inclusion of both a front basket and a rear seat makes it a practical choice for carrying personal items or passengers, while the retro-style headlight adds a touch of classic aesthetic to its modern functionality.
