

Electric Food Chopper with Scale

This electric food chopper features a detachable 0.6L mixing bowl with a scale. It has two speed settings and stainless steel blades, along with a safety interlock and non-slip plate.

Overview

Efficient Kitchen Processing

This electric food chopper is designed for precision and convenience in food preparation. Featuring a 0.6-liter capacity with an integrated scale, it allows for accurate measuring and chopping in one compact unit. With durable stainless steel blades and two speed settings, it efficiently processes a wide variety of ingredients from herbs to vegetables.

Technical Specifications

Power Consumption	200 W
Voltage/Frequency	230V 50Hz
Bowl Capacity	0.6 L
Bowl Material	AS (Acrylonitrile Styrene)

Features

Speed Settings

- Low
- High

Performance Metrics

200 W
