

Electric Fruit and Vegetable Juicer

This electric juicer efficiently extracts juice from various fruits and vegetables. It features a large feeding chute, two-speed control, and dishwasher-safe parts.

Overview

High-Performance Extraction

This professional-grade electric juicer is designed for efficiency and durability, featuring a brushed stainless steel housing and a powerful motor. With a 75mm wide feeding chute, it accommodates whole fruits and vegetables to minimize preparation time. Safety is prioritized through an integrated interlock system and motor-overheat protection, ensuring reliable operation in busy environments.
