

# Electric Fruit and Vegetable Washer

This electric washer sterilizes, eliminates bacteria, and removes pesticides from produce. It washes and cleans vegetables thoroughly, saving time and energy.

## Product Overview

### Professional Produce Hygiene Solution

This electric fruit and vegetable washer is designed to significantly enhance food safety in commercial or residential kitchens. By utilizing advanced agitation and water circulation, it effectively removes soil, debris, and surface contaminants. Its compact, food-grade construction ensures reliable operation while allowing for efficient batch cleaning of both leafy and root vegetables.

#### Key Features

Food-Grade Materials, Transparent Lid, Adjustable Cycle Timer, Compact Design
