Product Overview

Professional Performance for Home Use

This household hair dryer combines efficient drying power with advanced safety features to deliver salon-quality results. Engineered with a high-speed DC motor and a unique U-shaped heating element, it ensures stable and even heat distribution for quick, damage-free drying. Its ergonomic design, including a magnetic nozzle and intuitive wheel switch controls, provides a seamless and comfortable styling experience.

Technical Specifications

Power & Voltage

220 V

Voltage

1800 W

Max Power

50 Hz

Frequency

Physical Dimensions

Attribute	Value
Size	145x85x260mm
Weight	467g
