

Electric Hedge Trimmer

This electric hedge trimmer is designed for efficient and precise trimming of hedges and shrubs. It features a durable cutting blade, ergonomic handle for comfortable operation, and a powerful motor for consistent cutting performance.

Product Overview

High-Performance Electric Hedge Trimmer

This professional-grade electric hedge trimmer is engineered for efficiency and precision in landscape maintenance. Equipped with a brushless motor, it offers significantly extended service life and requires minimal maintenance. The ergonomic design features a soft-grip handle and integrated LED lighting, ensuring comfortable and accurate operation even in low-light conditions.

Performance Metrics

Rated Voltage

50.4 V

Minimum Voltage

72 V

Maximum Voltage

No-load Speed

- 5500
- 6000

Technical Specifications

Motor Technology	Brushless
Torque Settings	20+1
Scissor Type	Dual

Battery & Power

Safety & Protection

ECP Protection • Maintenance-Free

Battery Capacity Options

4.0Ah, 5.0Ah

Features

Design Features

- Soft handle cover for easy grip
- F/R Switch
- LED lights for precise job
