

Electric Hedge Trimmer 550W 20-inch Blade

This electric hedge trimmer is designed for trimming hedges and shrubs. It features dual-action blades for clean cuts and includes safety features such as a hand guard and two-handed safety switch.

Overview

Professional Hedge Trimming Performance

This electric hedge trimmer is engineered for efficient maintenance of hedges and shrubs. Featuring a powerful 550W motor and a 20-inch dual-action blade, it delivers clean, consistent cuts for residential landscaping needs. The lightweight construction is designed to minimize user fatigue during extended operation, while integrated safety mechanisms ensure secure handling.
