

# Electric Instant Water Heater for Bathrooms

This electric water heater is designed for bathroom use. It features an ABS body and multiple color options and can be installed under or above a sink.

## ADDITIONAL IMAGES

## Product Overview

### Energy-Efficient Bathroom Heating Solution

This electric instant water heater is designed for modern bathrooms, offering a compact and high-impact resistant ABS body suitable for under or above sink installation. It features advanced energy-saving technology that consumes 20% less power than 5-star BEE standards, making it an economical choice for residential use. With adjustable temperature settings and a durable inner tank design, it provides reliable on-demand hot water for professional and domestic applications.

## Performance Metrics

### Performance Highlights

**0.8 MPa**

Energy Savings

## Electrical Specifications

### Available Power Ratings

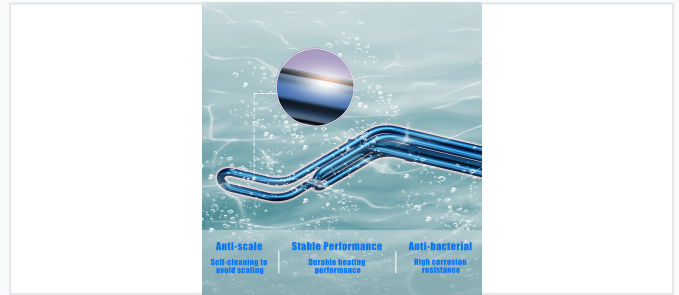

- 500W
- 1000W
- 1500W
- 2000W
- 2500W

Rated Voltage	110-120V~, 220-240V~
Rated Frequency	50/60Hz

## Construction & Durability

Comparison between standard triple weld lines and the exclusive single weld line design which reduces leakage risk by 67%.

High-performance heating element featuring self-cleaning properties and high corrosion resistance for longevity.

### Blue Diamond Single Weld Line Tank

The inner tank uses an exclusive single weld line design made from customized thickened SPCC material. This construction reduces leakage risk by over 67% compared to triple weld designs by having 1/2 the weld jointing, 1/3 the weld line number, and 1/4 the weld length, making it ideal for high-rising applications.

### Heating Element Benefits

Anti-scale • Anti-bacterial • Self-cleaning • Corrosion Resistant

## Technical Standards

### Safety & Protection

- High impact resistant ABS body
- Overheat protection
- High pressure sustainability

Waterproof Degree

IPX4

## Installation & Design

Installation Type

Under Sink, Above Sink, Wall Mounted

User Controls

Adjustable temperature control knob with Power and Heating indicator lights
