

Electric Kettle

This electric kettle is designed for quickly boiling water. It features an efficient heating element and automatic shut-off for safety and convenience.

Overview

High-Performance Cleaning Solution

This gasoline-powered pressure washer is engineered for demanding, heavy-duty cleaning applications. It combines robust power output with a portable, wheeled frame design to ensure efficiency and ease of use on job sites. With an integrated easy-start system, it minimizes downtime and maximizes productivity for professional cleaning tasks.

Performance Metrics

Maximum Pressure

2200 PSI
Max Pressure

154 bar
Max Pressure

Flow Rate

7 L/min
Flow Rate

1.8 GPM
Flow Rate

Design & Features

Key Features	Gasoline-powered, Easy start system, Heavy-duty, Portable, Wheeled frame
Model Identifier	LT-8.7/12
