

Electric Kettle with Automatic Shut-Off

This electric kettle quickly boils water for tea, coffee, and other hot beverages. It includes a concealed heating element, automatic shut-off, and boil-dry protection for safe and easy use.

Product Overview

Efficient Boiling Performance

This electric kettle features a 1.7L capacity, making it perfect for preparing hot beverages like tea and coffee. Designed with safety in mind, it includes an automatic shut-off feature and boil-dry protection. The sleek, curved design and concealed heating element ensure both aesthetic appeal and ease of cleaning for any kitchen environment.
