

Electric Kettle with Water Level Indicator

This electric kettle is designed for rapid boiling. It includes a water level indicator and a safety shut-off feature.

Product Overview

Efficient Boiling Solution

This electric kettle is designed for rapid boiling, making it an ideal appliance for quickly heating water for tea, coffee, or other hot beverages. Its user-friendly design includes a clear water level indicator for precise filling and a convenient safety shut-off feature. With a clean aesthetic featuring blue accents, it integrates seamlessly into office or commercial breakroom environments.
