

# Electric Lifting Hoist

This electric hoist is designed for lifting heavy loads in industrial and construction environments. It features a robust motor, durable wire rope, and a safety hook with a latch.

## Product Overview

### Industrial Lifting Solution

This electric lifting hoist is engineered for demanding industrial and construction environments. It features a robust motor system paired with a durable wire rope, ensuring reliable performance when handling heavy loads. Equipped with an integrated safety hook and a user-friendly pendant control, this hoist is designed to streamline lifting operations while maintaining high safety standards.

## Technical Specifications

### Suitable Applications

- Construction Sites
- Industrial Warehousing
- Manufacturing Facilities

### Key Features

Heavy Duty, Industrial Grade, Pendant Control, Safety Latch
