Product Overview

Professional Electric Material Mixer

This robust electric material mixer is designed for efficient performance in both professional and DIY applications. Engineered for reliability, it features a powerful motor and consistent speed control to ensure thorough mixing of various materials. Its versatile voltage compatibility makes it an ideal solution for diverse job sites.

Technical Specifications

Rated Input Power

700 W
Rated Input Power

No-Load Speed	750 r/min
Rated Voltage	220/110V~
Rated Frequency	50/60Hz

Model Information

Model Identifiers	6161, Z1V-FR-160
