

Electric Multi-Function Fondue Set with Adjustable Temperature

This electric multi-function fondue set features a non-stick surface and adjustable temperature control. The set includes fondue forks with heat-resistant handles and a removable pot for easy cleaning.

Product Overview

Versatile Electric Fondue Solution

This multi-function electric fondue set is designed for both entertaining and everyday culinary use. Featuring a 3L capacity and an extra-thick cast aluminum pot, it ensures even heat distribution for consistent results with meat, cheese, chocolate, or broth fondues. The unit includes adjustable temperature controls and a quick-release magnetic cord for enhanced safety, making it a reliable addition to any kitchen.
