

Electric Nail Care Set with Rose Gold Accents

This electric manicure set is designed for nail care. It features a streamlined design for comfortable handling and precise nail shaping and buffing.

Product Overview

Professional Nail Care at Home

This electric nail care set combines functionality with a sleek, modern aesthetic featuring rose gold accents. Designed for both home and travel, the compact device offers a comfortable, streamlined grip for precise nail grooming. It includes five specialized attachments to handle shaping, buffing, and cuticle care, while the integrated LED light in the stand base ensures visibility during use.
