Product Overview

Professional Hedge Maintenance

This electric hedge trimmer is engineered for efficient and precise maintenance of hedges and shrubs. Featuring a dual-action hardened steel blade, it significantly reduces vibration during operation for a smoother cutting experience. Its lightweight and compact design, combined with a rotating handle, ensures ease of use and maneuverability in various cutting environments while minimizing user fatigue.

Technical Specifications

Input Power Options

- 500
- 600

Rated Voltage 230 V

Rated Frequency 50 Hz

Performance Metrics

Performance Highlights

3300 r/min

Cutting Speed

16 mm

Max Cutting Diameter

Blade Length Options 16 inch, 20 inch

Physical Attributes

Weight

Type	Weight
Net Weight	6.5 KGS
Gross Weight	7.5 KGS

Dimensions 110 x 14.5 x 21 cm

Safety & Features

Safety Features

Double safety brake • Safety brake trigger • Cord retention system

Design Features

- Dual action hardened steel blade
- Reduced vibration design
- Lightweight and compact
- Rotated handle for versatile cutting angles
